Specialist Week 1 Newsletter: 19th February 2016

Dear St Elizabeth’s Community,

Thank you for your attendance last Tuesday and Thursday at Goal Setting Meetings. It was lovely to meet with all our families and to get to know you by name. It is always helpful to hear about your family story and to share some of the work already begun at school this term.

If you did not have an interview, please talk to the teachers and make a time. School and home working together can do so much more than when we work alone.

STARTING SCHOOL ADVICE
There was an article in the Herald Sun newspaper by Lucie Morris-Marr on helpful hints for parents. I thought that I would share them with you and give you my thoughts too.

My thoughts are in italics..

- Don’t be a helicopter parent! Let your children learn to fly for themselves. They learn best by making mistakes, reflecting on what went wrong and changing themselves so it doesn’t happen again. That is their job, not yours, your job is to help them do it independently.

- Don’t mix make-up with friendship. Choose your friends to share the ups and downs as you travel through primary school carefully. Don’t stay with those who want to sell you stuff or use you! You will need good thoughtful friends to share the experience!

- Don’t let lunch-boxes get the better of you. If you are spending all day worrying about the lunchbox contents, you will be shattered when you find out your child is putting all the fancy stuff in the bin. If your child is not eating it all, maybe you have given him too much. It is not the teachers job to force feed children!

Parish Priest: Rev. Tadeusz Ziołkowski SC  
School Principal: Mrs Christine Ash
• Your child WILL be tired and moody. School is exhausting for everyone that is there. It’s especially tiring for Foundation students because everything is new and everything needs their full concentration in case something gets missed or messed. It will settle down eventually. Be understanding, listen and soothe, then enjoy a great bedtime story and let them sleep.

• Don’t judge other families. Every parent I know tries to do their best for their child. You don’t know their story, so use smiles not frowns to encourage them to feel part of the community. Not everyone can stay home and help with fundraising etc. Some have to work very hard and then come home and manage a family without a partner. Everyone is trying their best.

• Don’t get stressed by readers and reading. You reading to your child every night in a shared moment is priceless. Give your child a love of reading. If they are tired, you read their reader to them and just ask them questions about the picture. If reading is a battle, you have lost a love of books forever. Make it a shared experience not a scared experience.

• Be a friend to make a friend! You want your child to make new friends so you show them how it is done. Smile and talk. Ask other people questions, listen to their stories. Offer help and encouragement if you have done all this before.

• Create sanity savers. Get a routine going. The children put their uniforms out ready the night before with homework diaries signed and hat on top of bag. Make sure children put their shoes on before breakfast and no TV until everyone is ready for school. better still, no TV in the morning. Set the alarm and if you are late for school, change the alarm time so you get here on time!

• Don’t feel guilty about not being here to help. Help in other ways by ringing the teacher if you have a question, using emails to communicate with us as well as Tiqbiz and Care-Monkey. Read the newsletter and send things in on time. Do the best that you can. No one can ask more of you than that.

• Slow down the school year. It feels like school time will last for ever and when school is in, things rush by at a frantic pace. I have had 3 children and I can tell you that watching your children grow over the school years is a blessing. Stop every now and then, head for the hills or the beach for a picnic but don’t forget to enjoy the school years. They only come once for every child.

CAMPS, SPORTS AND EXCURSION FUND 2016

Any parent who has a valid means tested concessions card is eligible to apply for $125 towards their child’s sports, camps and excursion costs. This helps families to pay for those extras that sometimes are a strain on the family budget but which are always so valuable as learning experiences for your child. This is a Victorian Government program and we want ALL parents who are eligible to get this help.

You can download the application form off this website [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

All forms have to be given to Lisa at the front desk by 26th February as the closing date is 29th February 2016.

POSITIVE CHOICES.
I know many of our families have students at secondary colleges and sometimes, you need resources and advice about how to deal with the issue of drugs, alcohol and smoking. The Australian Government health department has developed a great website for parents called Positive Choices which has lots of resources for you to use. I had a look at the website when I found out about it and was impressed by the help it offers to parents, so I thought that I would share it with you. [www.positivechoices.org.au](http://www.positivechoices.org.au)

SCHOOL EDUCATION BOARD ANNUAL GENERAL MEETING

Everyone is welcome to attend the AGM of the School Board. It is held in the staff room and this year will be on March 22nd at 6pm. There are 5 parent reps on the board and this year Sue Hatley- Smith, Samantha Pirotta and Joanne Cameron will come to the end of their 2 year time on the Committee. Their encouragement, support and advice have been much appreciated. It takes a generous person to commit their time to being part of the Board. These 3 positions will be vacant and so I hope some of you with children currently at school in 2016 will now decide that it’s your turn to be part of this valuable activity.

Please either nominate yourself and get someone to nominate you and get someone to second you. We meet twice a term on Tuesdays at 6pm and share a meal first. Nomination forms are included in this newsletter. They need to be returned to the school office by 3:30pm on Tuesday March 15th.

Yours sincerely,

Christine Ash
Principal
16.02.2016

Dear Parents and Guardians,

On March 22nd 2016 the School Education Board Annual General Meeting will take place in the staff room at 6pm.

The School Education Board is a vital part of the Governance of the school. There are 5 places on the Board for Parents / Guardians who would like to be Parent representatives and we welcome any new parents who are interested in seeing how the Board works to come along to the AGM. The meeting itself goes for about 30 minutes and we share a cup of tea or coffee after the meeting.

The School Education Board meets twice a term to advise the Principal and Parish Priest on matters pertaining to policy and procedure. The role of Parent Representatives on the School Education Board is advisory only but we take that advice seriously. The role is also one of support for the work being done in the school, ensuring that it meets Government requirements and also ensuring that school carries out its mission as a Catholic School in terms of teaching our faith.

There are also staff members on the Board, one representing the staff and one at the invitation of the Principal. There is also a Parish representative invited to the meetings by Father Tad, that person has been Ms Kate Robinson.

At the AGM in 2016 we will be holding elections for 3 new members. Ms Sue Hatley-Smith who is currently the Chairperson and has served for 6 years on the Board and, Ms Samantha Pirrota and Ms Joanne Cameron who have both completed one term of 2 years of service. Ms Sue Hatley-Smith has now reached the limit of time that anyone an serve as Parent Representative. What huge generosity that shows.

I am sure that you will join me in thanking of these members of our school community as their service has been very much appreciated

Ms Lyn Dennett has served as staff representative and staff will elect a new representative before the AGM. Thank you Lyn for staying back with us after school to share your wisdom.

The school community is very grateful for the work of all our Board Members and we thank everyone for consistent attendance and sharing of ideas. Our students have benefitted from their support and encouragement.
If you are interested in being a member, you can certainly speak to me about it as well as speaking to current members who are staying on the Board in 2016, Father Tad, Ms Mary Sunanj-Mazar and Ms Pino Martino or Ms Rebecca Gage. We will be very happy to explain the responsibility of members as well as explaining the opportunity to see what is happening in the school from a new level. Be encouraged, it is a great way to understand education today and all the research tells us that Parents who are involved make an impact on their children’s learning that can actually be measured!

Meetings are held at 6:00pm in the staffroom on a Tuesday evening and always start with dinner provided by the school. We celebrate the good things that are happening in our school and community! Meetings finish by 8pm.

You can nominate yourself and get a friend to second the nomination or you can nominate someone else and get them to sign it. A nomination form comes out with this notice. The Nomination form must be returned to school by 3:30pm March 15th. Notice of those being nominated will then be published via Tiqbiz and the newsletter. If we get more than 3 applications we will hold an election at the AGM. If we get 3 or less than 3 applications, those people will hold a Parent Representative Position on the School Education Board for the next 2 years. This makes sure that we have continuity on the board with at least 2 members staying on each AGM.

I do encourage everyone to have a think and see if they can contribute to our school in this way.

The Board members will elect a Chairperson and Secretary at their first Meeting after the AGM.

It is timely to thank Ms Sue Hatley-Smith for her work as Chairperson over the last 6 years. A more supportive and committed Chairperson would be hard to find!

Yours sincerely,

Christine Ash
Principal
NOMINATION FOR PARENT REPRESENTATIVE POSITION
ON THE SCHOOL EDUCATION BOARD
2016

I would like to nominate
(please print name)

..........................................................

to be a Parent Representative on the St Elizabeth’s Education Board

for (please circle) : 2 year period 2016 & 2017.

Person nominating print their name and sign it below.

Sign........................................Print name..............................

Nominated person to fill in this part.

I am ready and willing to be a parent representative on St Elizabeth’s School Education Board.

..........................................................Date......................

This form must be handed in at the School Office before March 15th at 3:30pm
No need to throw out the chocolate during Lent!

Pope Francis has a different idea for fasting this year.

We all give something up for Lent but Pope Francis has asked us to rethink what is at the heart of fasting this Lenten season. According to Pope Francis, fasting must never become superficial.

“No act of virtue can be great if it is not followed by helping others. So, no matter how much time you spend fasting and sighing continually, if you do no good to others, you do nothing great.”

So, if we’re going to fast from anything this Lent, Pope Francis suggests that we fast from indifference towards others and God. Pope Francis writes that “whenever our inner life becomes caught up in its own interests and concerns, there is no longer room for others and God’s voice is no longer heard. We end up being incapable of feeling other people’s pain, and unable to feel a need to help them, as though all this were someone else’s responsibility and not our own.”

Lent is the perfect time to learn how to love others again. Jesus certainly showed us the way to love others. He showed us that no one is excluded.

“What are you giving up for Lent?” It’s a question a lot of people will get these next few days. If you want to change your body, perhaps treats and candy is the way to go. But if you want to change your heart, a harder fast is needed. A fast to make room in ourselves to experience a love that can make us whole.

Now that’s something worth fasting for!

School Liturgies and Celebrations:
All families are invited and very welcome to come to all liturgies!
Friday 26th February: Year 5 & 6 learning community will prepare and lead the 9:15am mass.
Sunday 6th March: School Welcome Mass and family picnic.
Friday 11th March: Year 3 & 4 learning community will prepare and lead the 9:15am mass.
Tuesday 17th March St Patrick’s Day Mass – School Captains to attend St Patrick’s Cathedral
Friday 18th March: Year 3 & 4 learning community will prepare and lead the 9:15am mass.
Saturday 19th March: Nagle – Blue Hosting Mass All students in Nagle House will be hosting Mass 6.30pm

‘Project Compassion’- Caritas Australia campaign
Lent is a time when we make a special effort in three areas: prayer, fasting and alms-giving. Project Compassion is our traditional focus for the giving of alms. I encourage you to support this Caritas Australia campaign. When you support ‘Project Compassion’ this Lent you help end poverty, promote justice and uphold dignity for vulnerable communities around the world.

Sacramental News: RECONCILIATION PARENT MEETING AND ACTIVITY EVENING: Wednesday 25th February - Reconciliation meeting & activity evening at 7.00pm commencing in the Church.
Parents and children celebrating the sacrament MUST attend.
SCHOOL WELCOME, STAFF COMMISSIONING MASS & PARISH PICNIC:

Sunday 6th March 2016, 1030am

The staff of St Elizabeth’s will be formally commissioned by Fr. Tad for our ongoing work in Catholic Education. This commissioning will be linked into the 10.30am parish mass and we invite all the school community to join with us for this mass. We will present our Vision Statement that we believe is reflective and inclusive of all who are part of the school community; the children, the teachers, with the many families, and the wider parish community. We believe this statement reflects the many and varied partnerships that we share here at St Elizabeth’s. We also take this opportunity to welcome those families, who are new to the community, especially children in their first year of schooling.

After Mass bring your picnic rug, yummy picnic and enjoy relaxing on our school oval. Get to know your school and parish community.

We are looking forward to spending a wonderful Sunday together.

MATUTINAO FRIENDSHIP SCHOOL VISIT IN THE PHILIPPINES

Mr Andrew and I will be travelling to the Philippines to visit our friendship school Matutinao Elementary on Friday 26 Feb till Sunday 6th March. The beautiful families in the Philippines are working hard weaving walls from palms for the huts that we will be sleeping in.

We have packed lots of stationery for our friendship school but we are short on a few things. I hope our school families can help!

DONATIONS FOR MATUTINAO –

We are looking for donations to help our Matutinao families stay clean.

You may have many of these items at home already. For example: tooth brush, toothpaste, soap, hand towel, face washer, comb, hair brush, shavers for the men, deodorant, etc. Please bring all donations to the school office.

Altar Servers:

We have had a great response and many students have chosen to become or continue being Altar Servers. Altar Server training will continue throughout the term on Mondays at lunchtime in the church. Altar Servers will serve at whole school masses and community masses. They are also encouraged to serve at weekend masses at St Elizabeth’s Parish.

HOSTING MASSES for 2016:

Nagle-Blue: Saturday 19th March, 6.30pm
Polding-Green: Saturday 4th June, 6.30pm
MacKillop-Red: Saturday 6th August, 6.30pm
Chisolm-Gold: Saturday 3th September, 6.30pm

Our school hosting masses will be held on Saturday evenings 6.30pm. We have chosen a Saturday night mass to make it more convenient for families to attend.

This will be one of the ways that we will be building team spirit in each of the house colours. Team spirit is built through a variety of ways and gathering together to pray is one of them. There will be 4 hosting masses, one for each of our sport team colours. Children from the same family will all be in only one house colour. We are looking forward to seeing each of the house teams from Foundation to Year 6 gather together to celebrate liturgy together.

Maria Popowycz
Religious Education Leader
popoma@sedandenongnth.catholic.edu.au
In the first weeks of the school year each Learning Community developed their own Mission Statement and students and teachers unpacked our Adlerian School Values. We would like to share these with our whole school community:

Learning Community Mission Statements

Foundation – Ms Connolly / Ms Accetta

In our community:
- We always try to do our best
- We to listen to our teachers
- We use our manners
- We use an inside voice
- We always walk inside
- We are kind to everyone
- We keep our hands and feet to ourselves

Year 1 / 2 Learning Communities –
Mrs Burke / Ms Kealy / Mrs Hesse / Mrs Ladson

At St Elizabeth’s School the students in Year 1 & 2 will:
- Try their best in all the work they do
- Give all their work a go, even if it is hard
- Always respect each other
- Follow in the footsteps of Jesus
- Treat everyone kindly
- Be organized
- Stand up for ourselves
- Try to solve some problems by ourselves
- Get along with everyone
- Include everyone
- Take care of ourselves, others, our learning and our environment

Year 3 / 4 MO Learning Community –
Ms Olagama / Mrs Melenhorst

At St Elizabeth’s we follow Jesus in different ways. In our 3 MO community we listen, respect and encourage everyone. We all share ideas with everyone by speaking politely and respectfully to each other. We include everybody and are good sports in activities and games. When somebody is by themselves we ask them to play in our games. We respect the classroom and school by cleaning up after ourselves and putting rubbish in the bin, putting things in the right place and taking care of our environment. We are safe in our school by walking inside, following the rules, eating our own food and wearing our hat and sunscreen.

Year 3 / 4 HPE Learning Community –
Mrs Hall / Ms Popowycz / Mrs Egan

Faith
In the 3 / 4 HPE we follow in the footsteps of Jesus by participating in prayer and helping others to make a difference in God’s world.

Learning
As active Learners we listen to others, speak kindly, work independently and are encouraging of everyone.

Friendships
In the 3 / 4 HPE community we are all friends because we are kind to everyone, we speak politely, we work together and treat each other respectfully.

We show confidence, organization, resilience, persistence and get along with everyone in all that we do to be the best people we can be. We believe honesty is the best policy!

Year 5 / 6 Learning Community CL –
Ms Lim / Ms Catania

As a community we believe
That everyone should be welcomed so that we can all make new friends
That meditation is a time to talk to God and people should not be disturbed
That hard work pays off so we should all try to our best
That we should treat others in the same way as we would like to be treated
We should all be confident and try new things
That we should respect the environment and others’ belongings
That we should all work together as a team

Year 5 / 6 Learning Community DCK –
Mrs Diosi / Mrs Claxton / Ms Koutroumanis

- We believe that we must respect our teachers, friends and visitors and treat everyone the way we want to be treated
- We believe that we need to respect the environment and other people’s belongings
- We believe that if we are respectful for our own learning and that of others, we can do our best
- We believe in being persistent and never giving up on ourselves
- We believe that getting along is about being friends and helping one another
- We believe that it is important to be organised for our learning
- We believe in encouraging each other to become confident, successful people in not letting little challenges get us down

Our Adlerian School Values are: Mutual Respect / Shared Responsibility / Social Equality / Self Discipline / Cooperation and together we summarized these into student friendly language.

In our school:
We look after each other and the environment.
We use our choices to make this world a better place.
We are all valued and deserve a fair go.
We are all responsible for our own choices.
We encourage each other to work and play together happily.

Just as Jesus taught us.

Nan Perazzo
Wellbeing Coordinator
An exciting program that we have purchased for the whole school to use this year is called ‘Literacy Planet’.

This online program is aligned to the Victorian Curriculum and allows students to work at their individual level. Teachers will be assigning the levels for the students to work at when our Screening process is completed in the next couple of weeks. Literacy homework will also involve the use of Literacy Planet.

The program includes:

**Spelling**
- Spelling words are sequenced from easier words with simple letter combinations progressing to difficult words.
- Lists are organised to align with spelling development and research based methods.
- Games provide a variety of practise to ensure spelling accuracy and easy recall.

**Grammar**
- Recognise and use the correct rules and symbols of the English language.
- Covering the knowledge and skills that are essential for effective communication.

**Comprehension**
- Answer questions about texts that cover the essential comprehension strategies.
- A vast range of texts providing a rich literary experience.

**Sight Words**
- Automatically recognise and read words that are found frequently in books.
- Develop the ability to read and spell words fluently.

**Reading**
- Listen to models of fluent reading.
- Increase reading speed to improve fluency.

**Phonics**
- Acquire the essential knowledge of sound-letter relationships.
- Develop skills essential for reading and spelling accuracy.

Rebecca Gage & Kerry Strapp
We're on the way to becoming eSmart.

We have been registered for eSmart - a comprehensive approach for managing cybersafety and dealing with bullying and cyberbullying in school communities.

We're pleased to let you know that we have completed the first phase of the journey. We have planned many activities in line with the eSmart Schools Framework and are now progressing with implementation.

We will continue to our efforts to promote the smart, safe and responsible use of digital technology.

We hope you will also take part in some of the opportunities to learn more about being eSmart.

Rebecca Gage  
Deputy Principal: Learning and Teaching  
gagere@sedandenongnth.catholic.edu.au
CODING

This year, in order to challenge and extend some of our children in Years 3 to 6, we are offering them the opportunity to explore Coding. Coding is the language used to instruct computers. Facebook, your mobile apps and your browser are all made with code – it’s simply computer programming to you and me! And there are a range of different programming languages you can use – HTML, for example, is the computer code used to create web pages. Through Coding, the students will be given projects where they are encouraged to problem solve and become logical thinkers, as well as equipping them with the skills to pursue a career in technology, Mathematics and Science. Our aim here at St. Elizabeth’s is to teach the children not to be simply users of technology, but creators of it too.

Ms Kaetlyn Howe will be running two sessions per week for an hour using a programme called SCRATCH. Scratch is a programming language and an online community where children can program and share interactive media such as stories, games, and animation with people from all over the world. As children create with Scratch, they learn to think creatively, work collaboratively, and reason systematically. Scratch is designed and maintained by the Lifelong Kindergarten group at the MIT Media Lab.

Once these students have a good grasp of SCRATCH, they will become our experts and be able to teach other students who might be interested in learning to computer program.

Lyn Dennett
Numeracy Leader / F-4 Number Intervention Leader
ldennett@sedandenongnth.catholic.edu.au

The St Elizabeth’s Community/Fundraising/Parents and Friends group enjoy chatting Monday afternoon in The Nook. It was lovely seeing old and new faces and chatting.

During our chats, we thought it would be lovely to ask the school community to join us for dinner (at own cost) on Monday 7th March [we are looking at going to the Mulgrave Country Club] and to organise a Chocolate Drive.

Please check your emails and/or Tiqbiz app for further information.
Hi all

Last Thursday we started our Noble Park District Summer Sports season.

The season runs for 5 weeks and we play 4 other schools in pool B. The top two of each sport go on to play in the cross pool finals to find out who will be the District Champions.

The sports we play are softball, tennis, cricket, basketball and volleyball. Our focus is on fun, fitness and trying our best. The importance of winning is downplayed as it is participation that gives the great rewards.

Playing competitive sports in a safe, non-threatening environment has many benefits. Team sports provide our students with important lessons on personal values and the children who play team sports are less likely to feel isolated. The competition help kids experience and deal with winning and losing - to be an gracious winner is as important as handling a loss with grace. Team sports also helps kids overcome shyness.

Our team sports also introduce our students to a sport they may wish to take up outside of school or experience a sport they may never play outside of school due to other commitments. Our players experience working as a team, accepting decisions, accepting results and give us a greater understanding in the differences of others.

Parents are invited to come down and support the kids from the sidelines. The teams love having you there.

Yours in Sport

Dean Andrew. Sports Coordinator

WE WOULD LIKE TO TAKE
THIS OPPORTUNITY TO
INTRODUCE
BOUTIQUE ESTATE
AGENCY.

We represent a genuine hands on approach which has lead the way in local real estate services. Located on the border of Dandenong North and Mulgrave whilst covering a wide network of suburbs from Clayton right through to Berwick makes Boutique Estate Agency able to cater to a large portion of the south eastern corridor.

As the only Real Estate Agency located in Dandenong North. We are committed in supporting our local schools and businesses to ensure we maintain great relationships and provide exceptional services throughout the area.

As part of this commitment we are happy to contribute $500 to St Elizabeth’s Parish School for every time a property is SOLD or PURCHASED by a family member of a student of the school.

It’s our way of saying thank you for supporting your local businesses.
