

The service offers a huge variety of options in the format of a 2 course lunch at \$7.95 or a 3 course lunch at \$9.65. There are over 30 options to choose from which also incorporate gluten free, dairy free, nut free and vegetarian options.

The service is available on **Mondays** and **Wednesdays** only.

Parents who would like to use this service simply order their child's meal through our school **Tiqbiz** app and select **Classroom Cuisine** quick link.

Once an account has been created, you can place an order and pay by VISA or MasterCard. Orders can be placed, cancelled (i.e. if student is absent) and paid for up until 8.30am on the day lunch is required. The option to pre-order lunches in advance is also available.

When ordering your child's lunch it is very important you know their class (i.e. 1/2DB, not just Yr 1) to help with the distribution of lunches. Once the orders arrive at school, they are distributed to classes at lunch time (1.35pm)

For further details or queries about ordering, payment, food options or procedures please contact **Classroom Cuisine**. This can be via the **Tiqbiz App** or their website **classroom.cuisine.com.au**.
